I will contact Ms. Carter later today. The ConocoPhillips Real Estate Department will need to obtain an access agreement for any work proposed on her property. I will also forward Ms. Carter's contact information for their use in the procurement of this agreement.

Thank you.

Bill,

In response to the public Fact Sheet that went out October 19 for the CAP at 4191 First Street in Pleasanton, I received a call from Linda Lee Carter. Linda Lee Carter is the owner of the property at 4182 First Street, which is the commercial property immediately north of the site. Part of the remediation is planned on her property and will require an access agreement with her. She gave me permission to pass along her phone number to you, which is xxx. Ms. Carter did not express specific concerns regarding the proposed remediation but should be contacted regarding property access.
