Returned call to Diane Sass of Rockcliff Realtors regarding Unocal site at 4191 First Street in Pleasanton. She has client purchasing adjacent property at 21 Calle Court. Discussed status of site cleanup; Pilot Test Work Plan or Draft CAP to be submitted by December 1, 2008. Unocal requested an extension to Dec. 1. Cleanup could take months to years to be completed. Not aware of human health risks to residents of adjacent properties. Unlikely to excavate contamination to 40 feet bgs. More likely to treat in-situ by extractions or injections.
