Jerry,

Per our 11/23/10 telephone conversation, groundwater monitoring was conducted at the subject site on 10/6/10 and the results were included in Delta's 11/15/10 *Third Quarter 2010 Semiannual Groundwater Monitoring Report & Feasibility Study Report*. ACEH's 8/16/10 letter requested a groundwater monitoring report (GWMR) for the fourth quarter of 2010 (4Q10) by 1/16/11. Since groundwater monitoring data for 4Q10 has already been presented, CRA will not complete a 4Q10 GWMR and will revert to the semiannual monitoring program for the site with wells monitored during the 1st and 3rd quarters.
