Re: **Quarterly Status Report – Fourth Quarter 2005**
Former Shell-branded Service Station
15275 Washington Avenue, San Leandro, California
Incident Number 97093412, SAP Number 129460

Dear Ms. Garcia-LaGrille:

On behalf of Equilon Enterprises LLC dba Shell Oil Products US (Shell), this letter presents a status update for the fourth quarter 2005 at the site referenced above. Shell has elected to transfer management of this site from Toxicchem Management Systems (Toxicchem) to Delta Environmental Consultants (Delta).

Fourth Quarter 2005 Activities

During the fourth quarter 2005, the *Semi-Annual Monitoring Report – Third Quarter 2005* was submitted on October 12, 2005.

Anticipated First Quarter 2006 Activities

Gauging and sampling of selected site wells was performed by Blaine Tech Services on January 27, 2006 according to the semi-annual schedule proposed in the *First Quarter 2004 Monitoring and Remediation Report* (Cambria Environmental Technology, Inc. April 2, 2004). The first quarter 2006 monitoring report will be prepared and submitted by Delta.
