Re: **Quarterly Status Report – Second Quarter 2006**
Former Shell-branded Service Station
15275 Washington Avenue, San Leandro, California
Incident Number 97093412, SAP Number 129460

Dear Ms. Garcia-LaGrille:

On behalf of Equilon Enterprises LLC dba Shell Oil Products US (Shell), this letter presents a status update for the second quarter 2006 at the site referenced above. Shell has elected to transfer management of this site from Toxicchem Management Systems (Toxicchem) to Delta Environmental Consultants (Delta).

Second Quarter 2006 Activities

During the second quarter 2006, the *Semi-Annual Monitoring Report – First Quarter 2006* was submitted on April 14, 2006.

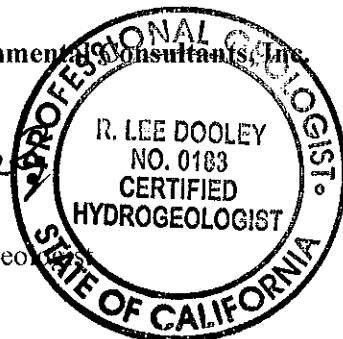

Anticipated Third Quarter 2006 Activities

Gauging and sampling of selected site wells will be performed by Blaine Tech Services according to the semi-annual schedule proposed in the *First Quarter 2004 Monitoring and Remediation Report* (Cambria Environmental Technology, Inc. April 2, 2004). The third quarter 2006 monitoring report will be prepared and submitted by Delta.

If you have any questions regarding this site, please contact Joe Rounds at (916) 503-1261.

Sincerely,
Delta Environmental Consultants, Inc.
