Subject: Fuel Leak Case No. RO0000376 - Request for extension

**Fuel Leak Case No. RO0000376 and Geotracker Global ID T0600101903
Fordham Properties, 5515 Doyle Street, Emeryville, California**

Dear Ms. Jakub:

Please accept this letter of request for a 30-day extension in the submittal of material identified in your letter of January 30, 2009. The requested items were an unlocked signature page, boring logs, and a copy of the boring permit. The requested material have been prepared and is ready to upload on your FTP site; however, your request for an unlocked signature conflicts with ENVIRON Corporate policy, which does not permit the release of unlocked signatures saved as -pdf files. This issue is still being discussed among the ENVIRON principals and I have not gotten any resolution at this time. Thanks you for your patience.

Sincerely,

Norman T. Ozaki, Ph.D.
Principal Consultant
