Subject: RE: Extension Request for Data Gap Investigation Work Plan - 5930 College Avenue, Oakland (ACDEH Case# RO377)

Brent,

There is some time that remains open on that week for both Dilan and I to meet. This is likely to change so please quickly identify a date and time that will work for your group; the following times are open:

Thursday August 11th; 9:30 – 12:30; (perhaps a 2 hr spot?)

Friday August 12th; 2 – 5; ditto

I've also extended the deliverable date to August 19th on Geotracker. You can use this email to document the extension should it be needed.

On behalf of Brian Sheaff and 5930 College Avenue, Oak, we request a three week extension for submittal of the Data Gap Investigation Work Plan for the subject site. The Data Gap Investigation Work Plan was requested in your letter dated May 12, 2016, with due date of 7/29/16.

Thank you again for your assistance on this project.
