

Jakub, Barbara, Env. Health

Subject: RO377, Sheaf's Garage
Entry Type: Phone call
Company: Golden Gate Tank Removal

Start: Tue 5/21/2013 1:30 PM
End: Tue 5/21/2013 1:40 PM
Duration: 10 minutes

Brent Wheeler calls to inform me that work on the site will be restarted. Permits will be obtained for the borings and soil vapor samples for work performed in the City of Oakland right of way so they will have to obtain encroachment permits. They do not expect to start the work until the end of June at the earliest.
