Ms. Fong,

Each of the three firms appear to meet the criteria for an independent third party review. As a government agency, we cannot recommend one qualified firm over another. Therefore, the selection must be made by you.

Subject: Submission of names of third party, professional engineers

I have reviewed qualifications of numerous companies and engineers who have reviewed the technical comments in the Sept. 8, 2011 letter. I have identified three firms who could meet the criteria of independent third party. Each has provided a proposal and bid to prepare a well inspection and ground water sampling work plan. Before I sign a contract with any firm, please let me know which of the following if any are worthy of your concurrence:

1. The Reynolds Group, Environmental Consulting and Contracting  
Dwayne Ziegler, Manager of Operations

2. Ninyo & Moore Geotechnical and Environmental Sciences Consultants  
Kristopher M. Larson, Principal Environmental Geologist

3. Bonkowsi and Associates, Inc.  
Michael S. Bonkowski, CEG, Manager, Environmental and Engineering Services.

Thank you for your consideration.  
Happy new year.

Sincerely,  
Carolyn C. Fong, trustee
