Subject: Former Chevron 90260 - 21995 Foothill Boulevard, Hayward - Extension Request

Mark,

Conestoga-Rovers and Associates (CRA) on behalf of Chevron Environmental Management Company (EMC) would like to request an extension for the *Site Investigation Report* requested by Alameda County Environmental Health's (ACEH) in their letter dated December 29, 2014. This extension is requested due to the driller availability. The earliest we could schedule a driller was March 2 – March 6, 2015. The lack of earlier driller availability caused all the laboratory data not to be obtained until April 1, 2015, and an extension of **May 22, 2015** for the *Site Investigation Report* is requested.

Thanks
