Kiersten,
Please use this email to document ACDEH concurrence with the extension request in order to obtain bioparameters. I've updated Geotracker to reflect this.

Subject: 21995 Foothill Blvd, Hayward Case # RO0383 Extension Request

Hello,

Per a previous conversation, GHD Service, Inc. (GHD) on behalf of Chevron Environmental Management Company(EMC) would like to request an extension for the *Feasibility Study and Corrective Action Plan (FSCAP)* requested by Alameda County Environmental Health (ACEH) letter dated November 10, 2016. The reason for the extension is for bioparameter data to be collected during the first quarter 2017 groundwater monitoring and sampling event (February 2017). Therefore, an extension of March 31, 2017 for the submittal of the FSCAP is requested.

Thank you,
Kiersten

Kiersten Hoey
