Dear Mr. Wickham:

This letter is intended to inform you that ACC Environmental Consultants, Inc. (ACC) has been working with Peralta College District (Peralta) to move forward with the Scope of Work out lined in the June 25, 2011 Soil and Groundwater Characterization Work Plan. However, Peralta is still in the process of finding the funding to move forward with the scope of work. Peralta anticipates moving forward with the Scope of Work in 2012 and is requesting a 6-month extension to the December 16, 2011 deadline.

Please feel free to contact me at 510-638-8400 at extension 110 or at [jsiudyla@accenv.com](mailto:jsiudyla@accenv.com) if you need any additional information or if the 6-month extension is unacceptable.

Sincerely,
