Hi Paul,

Just progress. I can extend it until the end of the year based on a potential meeting, but without further demonstrated progress additional time does not appear to be warranted.

Hi Mark,

I just e-mailed the attorney for the RP and said that the NOV deadline is tomorrow. We have been working to get a meeting with the son of the RP, and I anticipate that we will have a meeting at the beginning of next week. Please recall that the RP is presently incapacitated. What steps are necessary for an extension for submittal of documents?

Thank you!

Paul
