Subject: Site Status Update for ARCO Station 2185, 9800 East 14th street, Oakland, California.

Dear Mr. Chan:

This letter provides an update on investigation and remedial activities conducted for the above-referenced site. This update covers site activities performed during March and April 1992, and site activities anticipated for the month of May 1992.

#### **March and April 1992 Activities**

- Site was under construction during the months of March, April, and May 1992 for replacement of underground gasoline storage tanks. Anticipated conclusion of these construction activities is late May 1992.

#### **Work Anticipated for May 1992**

- ARCO's consultant, Roux Associates, of Concord, California, will issue a draft report to ARCO related to soil sampling during tank replacement activities.
- Upon Alameda County approval of the Site Investigation Work Plan (Roux Associates, December 18, 1991), RESNA Industries of San Jose, California submitted a proposal to ARCO to perform the work in the Work Plan. Work should commence in June 1992.
