Mr. Barney Chan
Alameda County Health Care Services Agency
Department of Environmental Health
80 Swan Way, Room 200
Oakland, California 94624

Subject: Site Status Update for ARCO Station 2185, 9800 East 14th Street, Oakland, California.

Dear Mr. Chan:

This letter provides an update on investigation and remedial activities conducted for the above-referenced site. This update covers site activities performed during June, July and August 1993, and site activities anticipated for the month of September 1993.

June, July and August 1993 Activities

- Performed monthly groundwater monitoring.
- Submitted Second Quarter 1993 quarterly groundwater monitoring report.
- Performed Third Quarter 1993 groundwater sampling.

Site Status Update
ARCO Station 2185, Oakland, California

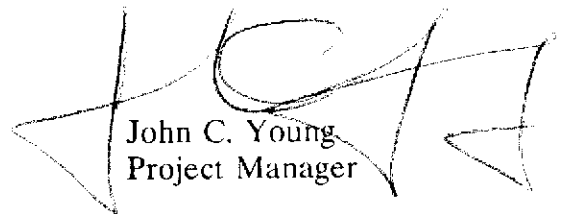

September 2, 1993
61026.02

Work Anticipated for September 1993

- Continue monthly groundwater monitoring.
- Submit Report of Findings Offsite and Additional Onsite Subsurface Investigation and Aquifer Pumping Test.
- Begin preparation of a letter for submittal to Alameda County Health Care Services Agency (ACHCSA), listing remedial alternatives to be investigated in detail in a future feasibility study as agreed to in a meeting held on May 19, 1993 between RESNA, ARCO, and the ACHCSA.

If you have any questions or comments regarding this letter, please call us at (408) 264-7723.

Sincerely,
RESNA Industries Inc.

John C. Young
Project Manager
