Thanks, Barbara. Yes, they are still the sole property owners. The City of Oakland has expressed interest in acquiring the property, but there is no negotiation at present & no timetable for when that may happen.

That is fine if you are certifying that they are still the sole owners. I know you said that the property may transfer to the City of Oakland soon.

Barbara – thank you for the letter dated September 3, 2010, regarding this site. In the letter, the County requested a landowner list. As shown in the attached letter (which is part of the County's on-line files), Caltrans has already certified themselves as the sole property owner. Please advise if you need Caltrans to resubmit the sole landowner certification on the form included with your September 3rd letter, or if the existing document is sufficient.

Thanks!

Andrew
