Bill Lewerenz 415-551-2694 called with inquiry on case status. He indicated that he is waiting on response from ACEH regarding closure. He wants a response in order to move along with City of Emeryville on his plans. I indicated that I was not familiar with case and advised him to work with his case worker to develop a schedule. Also indicated that I would pass along his inquiry to Steven and Donna. JTW

discuss site, she has issues re: letter & fine from Susan. CUPA or LOP? Sounds like that was a CUPA issue? They complied with letter & did not get closure yet.

Re: closure, reviewed a summary however, closure not apparent by what was presented in closure. Needs additional followup with caseworker to determine if closable & possible followup with consultant re: data & reports. Will contact her for additional info. Anticipate scheduling with caseworker for review, approx timeframe 45d from now. If issues can have RP call.
