11:52am VM from Kathleen Ragot, re 1421 Park Avenue Associates. They no longer own site; not sure how to deal with request (NOV).

RC 4:20 to Kathleen Ragot; they will continue to receive as historic connection to site, please update contact information form so we know info is up to date at this time. Likely new owners have assumed responsibility for site.

8:51 August 4 VM from Kathleen Ragot; If we are trying to reach 1421 Park Ave Associates they are not at the 1981 Broadway address. 1421 Park Ave Associates are not listed by the secretaries of state in CA, DL, or NV as far as she can see, again she notes that they sold 1421 Park Ave Associates (but my research indicates Levin Menzies & Associates LLC does not appear on title chain).
