Megan,

Thank you for the updated contact information.

All of our files are electronic and located on our website which is listed at the bottom of my signature. Click on the link and go to find a site on the left. Click on the ARC IMS map link and disable your pop-up blocker if needed. The easiest way to get to the case files is to go to the search query/LOP Document search and put in the RO # which is 400 in your case. If you have any problems feel free to call me and I can walk you through it.
