Re: Work Plan for the HVOC investigation at the Broadway Volkswagen site, located at 2740 Broadway Avenue, Oakland, Alameda County, California.

Dear Ms. Shin:

In response to your letter dated, June 15, 1999, QST Environmental Inc., (QST) will forward a summary of a review of historical site use for the potential for HVOCs, in conjunction with the UST-related investigations. Tom Moffatt will review files and site plans for Broadway Volkswagen (site). In addition, Tom Moffatt will interview individuals involved with historical activities at the site.

Upon completing review of historical information for the site, QST will forward a letter report summarizing the findings, along with a work plan, if warranted, for final closure activities, in regard to HVOCs.

If you have any questions or comments, please contact me at (925) 313-0840.

Respectfully Submitted,
QST ENVIRONMENTAL INC.
