Subject: Revised Aspire Air Monitoring Plan - EPA Concurrence

Hello Tim:

EPA Region 9 concurs with the conditional approval of the March 5, 2015 Revised Air Monitoring Plan for the Aspire School site attached to Jerry Wickham's email (attached here). The conditions were discussed during the March 5, 2015 conference call with you, Jerry Wickham, Erica Kalve, Angeline Tan, and Tracy Craig. We are providing our advanced concurrence while our approval letter is prepared and to facilitate the pre-construction activities starting on March 7, 2015 (Saturday).

Thank you for your courtesies and please call me if you have any questions concerning this message.

Sincerely,
Carmen
