Diane, Doug, and Lydia,

Thank you for meeting with Dilan and me at the OMC site this morning. The site visit provided us the opportunity for a better understanding of the conditions on the property. As discussed at the meeting, we will review the recently submitted Technical Memorandum, dated February 7, 2014, and provide comments by April 3, 2014. We look forward to continuing to work with you to progress the case to closure.

Regards,
Keith Nowell
