Subject: RO0000414, Electronic Submittal of Information, Request for Extension

Hi Keith,

Regarding Site Cleanup Program (SCP) case file # RO0000414 and Geotracker Global ID T0600101423 at the former Oakland Maintenance Center located at 1100 Airport Drive in Oakland, California, the Port respectfully requests an extension for the Electronic Submittal of Information (to the State Water Resources Control Board GeoTracker system) until December 17, 2018.

Thank you.
