SUBJECT Notification of Well Destruction Activities
Former Mobil Service Station 04FGN
14994 East 14th Street, San Leandro, California

Ms. Gluckman:

At the request of ExxonMobil Environmental Services (EMES), on behalf of ExxonMobil Oil Corporation, Cardno ERI is notifying you of scheduled well destruction activities at the subject site. The wells are being destroyed in association with the pending closure of the environmental investigation at the subject site. The work will involve destroying wells MW1A through MW3A and VW1 through VW5. The locations of these wells are depicted on the attached Generalized Site Plan. The work is scheduled to begin on April 13, 2015, and is expected to take two days to complete. The work will require access to each of the well locations and select parking spaces will be unavailable during portions of the work.

Please contact Mr. Greg Gurs, Cardno ERI's project manager for this site, at greg.gurss@cardno.com or at (916) 692-3130 with questions or comments.

Sincerely,
