Dear Mr. Mahoney:

Please be advised that as a former property owner of an underground tank site which reported an unauthorized release of petroleum hydrocarbon during your ownership, you are required to remain on the County's list of potential responsible parties for the investigation at the above referenced site. We are aware that you may have an agreement with BP Oil Company, however, as you are aware, any agreement which exists between you and BP must be a civil matter.

If you have any questions, please contact Lori Casias of the State Water Resources Control Board.

Sincerely,
