Subject: Request for DWR Well Completion Reports ~COR-060719~

Dear Mr. Wickham,

On behalf of Chevron Environmental Management Company, for itself and as Attorney-in-Fact for Union Oil Company of California, requests authorization from you to attain well completion reports from the California Department of Water Resources (DWR) within a half-mile radius of the Unocal #4186 site identified on the attached form. CRA would like to review this information to determine if the wells are potential receptors. DWR requires regulator permission to release well completion information.

Please complete and sign the attached form (Well Completion Report Release Request and Confidentiality Agreement) and return to me as soon as possible.

If you have any questions, please call Laura Heberle at (916) 889-8918.

Respectfully,

Mike McDonald
