Subject:

**Access Notification – Well Abandonment Schedule**

76 Service Station No. 4186  
1771 First Street, Livermore, California  
Fuel Leak Case No.: RO0000436

To Whom This May Concern:

On behalf of Chevron Environmental Management Company (CEMC), ARCADIS U.S., Inc. (ARCADIS) has prepared this letter to notify all applicable parties of the specific work dates of well decommissioning activities associated with 76 Service Station No. 4186 located at 1771 First Street in Livermore, California (site; Figure 1).

As you are aware, CEMC has been working under the direction of the Alameda County Environmental Health (ACEH) to address a historical hydrocarbon release from the service station. ACEH issued a letter dated September 23, 2013 approving well destruction of all monitoring and soil vapor wells associated with the site (Figure 2) in order to receive case closure.

ARCADIS will require access to your property on the following dates:

- October 11, 2013: Mark for public utility locate
- October 16, 2013: Conduct private utility locate
- November 4, 2013 to November 15, 2013: Decommission monitoring and sparge wells at the site

Please note that our schedule may vary due to unforeseen circumstances and based on field conditions. If there is a significant change to this schedule, we will notify you immediately.

Should you have any questions or need additional information, please do not hesitate to contact me by phone at 510.596.9675, or by email at Katherine.Brandt@arcadis-us.com.
