Preliminary Site Investigation Work Plan
265 30th Street, Oakland, California
(CCI Project No. 12058-2)

Dear Ms. Logan:

At your request, Compliance & Closure, Inc. here by submits this addendum letter to the Work Plan for a Preliminary Site Investigation at the property located at 265 30th Street, in the City of Oakland, Alameda County, California. CCI will drill the two proposed soil borings as close as possible to the location of sample points S-1 and S-3, the areas of highest soil contamination reported during the fuel tank closure at the subject site in December 1995. A modified site map (Figure 1) is attached.

We would appreciate your approval of the boring locations prior to the start of any field work. If you have any questions, please call me at (510) 426-5395.

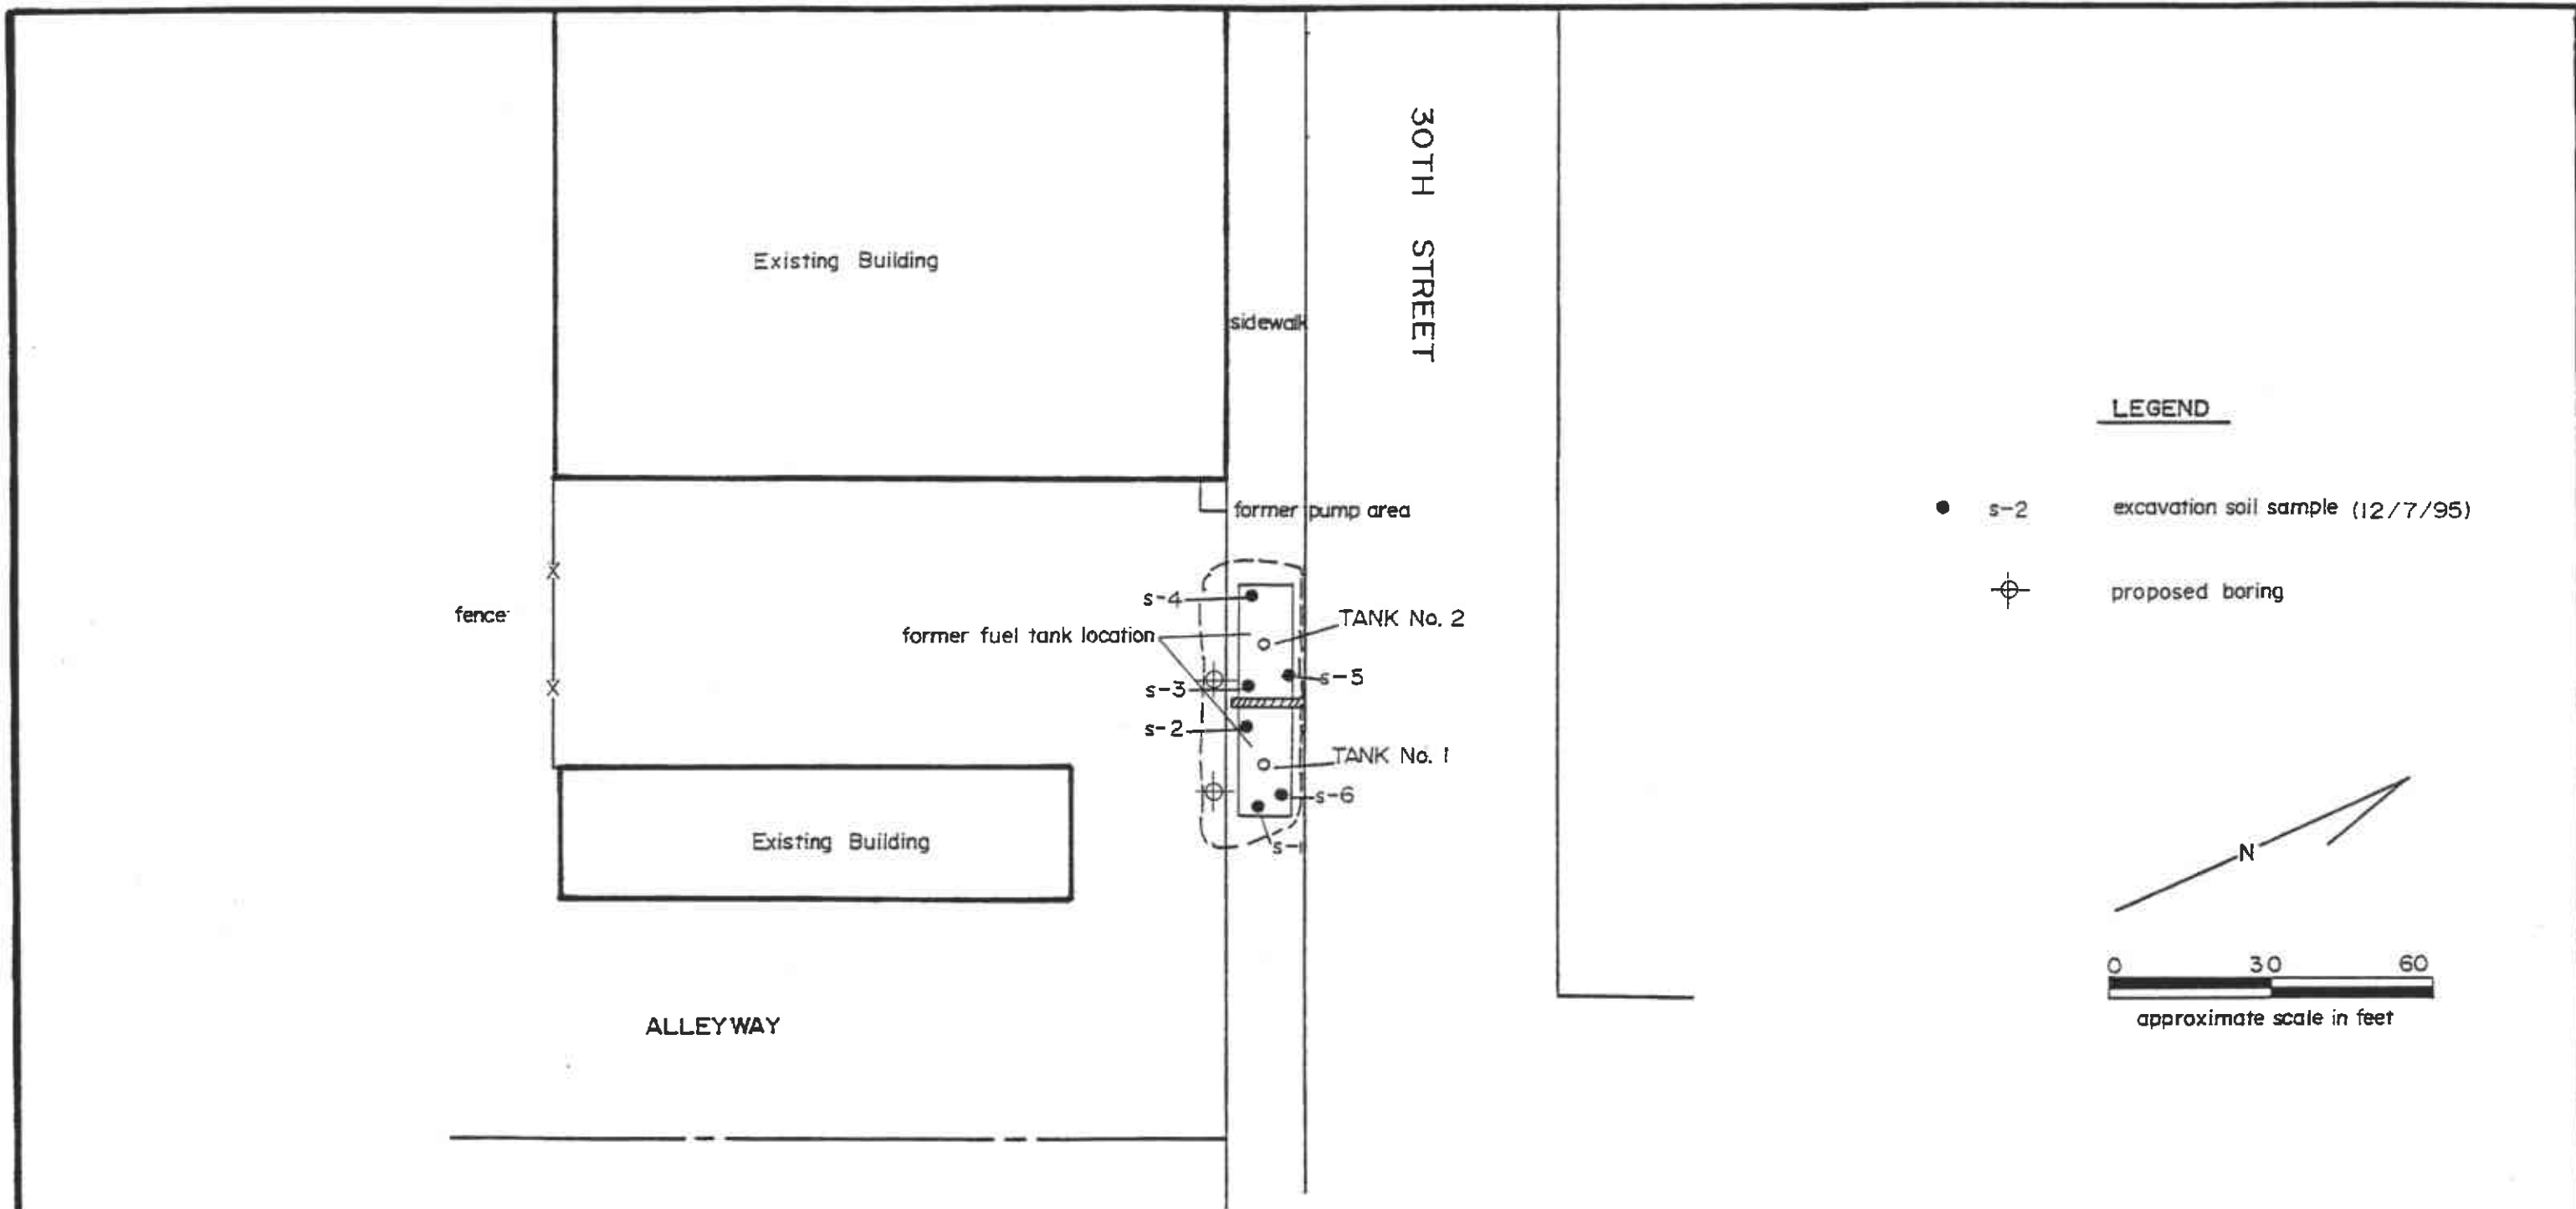

Sincerely,
Compliance & Closure, Inc.
