Dear Ms. Treinen,

I'm sorry I did not receive your response earlier. We just mailed out our mass mailing of Notices of Violation for compliance with Geotracker on Friday. I'm sorry that the letter did not make it to you on time due to old addresses. This will go in the file to note the extenuating circumstances. Please continue to obtain your consultant and claim your site in Geotracker by August 28, 2009 to get back into compliance.

Regards,

Barbara Jakub, P.G.

Barbara,

Griffin Capital Corporation is the agent for the fee owners of 1650 65<sup>th</sup> Street in Emeryville, CA. My card below shows our current address; we moved from the 2321 Rosecrans Suite 3290 address approximately three years ago. I just received the letter that you sent on July 7 with respect to the closure of the underground storage tank on the property. I will spearhead our response; however, as I just received your letter today I thought I should let you know that we will be unable to comply with the July 24, 2009 deadline to claim the site in Geo tracker. I am on vacation next week and will need some time to hire an environmental consultant, perhaps you could move this deadline to next month? Thank you.

Julie
