Conference of Stason Foster & Charles Wren
re: Status of site

- completed 4th Q 1994 sampling all on-site wells
by 4 wells at the Marketplace
- report by end of next week
- TPH diesel is up - no BTEX
- 1st Q ¹⁹⁹⁵ sampling done
- Boeing proposal at SP railroad delayed
SP requested a letter why conduct this work
- discussed FP at Marketplace
- Wainhouse CPEB's may still
be under EPA directive - reports
submitted, will review them
