

Jakub, Barbara, Env. Health

Subject: RO447, USPS
Entry Type: Phone call
Company: SOMA Environmental

Start: Mon 2/9/2009 10:00 AM
End: Mon 2/9/2009 10:10 AM
Duration: 10 minutes

Mansour Sepehr from SOMA Environmental calls to discuss the USPS site. He says that the case was completed under the Regional Water Quality Control Board and closed by John Wulfington (sp?). He also claims that the USPS USTs were not part of this site. Mansour will get the closure letter from the RWQCB for this site and provide it to us.
