(Global ID# T0600101608), 1505 62nd Street, Emeryville, CA 94608

Dear Mr. Hill:

This is a notice of case referral for the subject site. Alameda County Environmental Health (ACEH) is transferring oversight of the subject case to the San Francisco Bay Regional Water Quality Control Board.

The subject site appears to be co-mingled with Regional Water Quality Control Board (RWQCB) case SLT2O06571. Consequently it appears appropriate to transfer the case to RWQCB oversight.

Please be aware that not all historic documents for the subject fuel leak case may be available on GeoTracker. The complete historic case file for this site is located on the Alameda County Environmental Health website at: <http://ehgis.acgov.org/dehpublic/dehpublic.jsp>.

Should you have any questions, please contact me at (510) 567-6876 or send me an electronic mail message at mark.detterman@acgov.org.

Sincerely,
