**Subject:** RO191 data exchange

Paul,

I received a request that P & D provide groundwater analytical data to the site located at 1725 Park Street, Alameda. ACEH no longer requires 1701 to use data from the site located at 1725 Park St; however, we require that you provide the groundwater elevation and analytical data to downgradient site 1725 Park St for their use.

Thank you for your cooperation.
