Subject: 1629 Webster Street, Alameda (RO0000450)

Ms. Jakub:

In your letter dated May 22, 2008 for the above referenced site you requested that the soil boring be advanced by July 21, 2008 and the corresponding report and landowner notification letter be submitted to your office by September 19, 2008. The earliest that I could get the drilling scheduled is August 14, 2008. Therefore, I would like to request an extension until October 31, 2008 to submit the required report. I should have no problem submitting the landowner notification letter on time.

If you have any questions don't hesitate to contact me.

Respectfully Submitted,

Dennis S. Dettloff, P.G.
