Attachments: RO450_Fig3_ACEHedit.pdf

Kathy,

Attached is Alameda County Environmental Health's (ACEH) edited version of Figure 3 that that was provide to ACEH (Attn. Keith Nowell) in an email on March 7, 2014. The edited figure has two relocated CPT borings, CPT-3 and CPT-5. Both boring locations have been shifted to the west. Boring CPT-3 is repositioned to capture the potential western boundary of the plume as indicated by the rose diagram provided with the figure. Boring CPT-5 is shifted west to help cover the potential interior gap created with the relocation of CPT-3. ACEH looks forward to receiving the Site Management Plan and the Groundwater Investigation Work Plan in the near future.

Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at keith.nowell@acgov.org.

Regards,

Keith Nowell
