Subject: RO450 - 1629 Webster Street, Alameda Extension Request

Keith:

On behalf of Chevron Environmental Management Company's affiliate, Union Oil Company of California ("Union Oil"), ARCADIS U.S., Inc (ARCADIS) requests an extension for submittal of the well destruction report. This request has been prepared in response to the Alameda County Environmental Health Services letter dated July 1, 2015. ARCADIS will perform well destruction activities starting August 3 after the utility location activities are completed on July 22, 2015. ARCADIS requests a reporting extension of September 30, 2015 for submittal of the well destruction report. The reporting extension is requested to allow time for documentation of well destruction activities and documentation of investigative derived waste removal.

If you have any questions or comments regarding this request, please contact Tonya Russi of ARCADIS at 916.865.3168 or by e-mail at tonya.russi@arcadis-us.com.

Thank you
Kathy
