Company: City of Alameda

Start: Mon 11/16/2009 2:45 PM
End: Mon 11/16/2009 2:55 PM
Duration: 10 minutes

Dorene Soto and Sue Russell called to find out the status of the Koka property remediation and when it will be ready for development. They said the funding may not be there for very long. I gave them the information I know and gave them the Conoco Phillips contact information so they can discuss the schedule with him. I also sent them the link for our website so they can review the files.
