Steve,

To facilitate our conference call tomorrow, I've attached Tables and Figures from the DRAFT - First Quarter 2008 Groundwater Monitoring Report. Note that this report has yet to be submitted to ACEH but Table 2 is most pertinent in that it includes the compiled results from the 3 sampling rounds completed thus far from the Celis monitoring wells (7/07, 10/07, and 1/08).

Regards,
George
