Dear Mr. Khatri,

I am writing to inform you that we are in the final stages of obtaining an encroachment permit with the California Department of Transportation (Caltrans) for work that will be performed at the BP Site No. 11102 located at 100 West MacArthur Blvd, in Oakland, CA (site). After we receive the approved encroachment permit from Caltrans, we can proceed with the additional permitting required by Caltrans, Alameda County Environmental Health Department and the City of Oakland. Please let me know if you have any questions, concerns, or require any additional information.

Thank you,

ARCADIS
