Ms. Manzo,

Based on our telephone conversation today, the proposed scope of work in SOMA's "Workplan for Modification of Well B-9" is being held in abeyance. Therefore, Alameda County Environmental Health (ACEH) will not review the Work Plan referenced below. A petition for closure of this case remains under review by the State Water Resources Control Board.

Dear Mr. Wickham:

SOMA's "Workplan for Modification of Well B-9" for 3820 Manila Ave, Oakland, CA has been uploaded to the Alameda County's FTP site and State's GeoTracker database for your review.

Thank you for your time in reviewing our report. Please do not hesitate to call me at (925) 734-6400, if you have questions or comments.

Sincerely,

***Elena K. Manzo***
