Dear Jerry,

We had prepared our "Workplan to Delineate Extent of Free Product and Conduct Soil Vapor Sampling" for 3820 Manila Ave site (RO0458). However, in order to allow for the report review by our clients, we would like to request a one-month extension on the report submission deadline. Our original deadline for this technical report was established as January 14, 2011.

Thank you very much! Please do not hesitate to call me at (925)734-6400, if you have any questions or concerns.

Sincerely,
