Mr. Dettloff:

This email correspondence serves to document our telephone conversation today regarding the status of case closure. We anticipate finalizing the case closure summary in January and will send out a directive letter regarding the public notification process.

Regards,

Mr. Roe:

What is the status of this case?

Is the ACEH going to take care of the public notification process? If so, has the public notification letter been sent out to the surrounding properties and the local water purveyor?

Would it be acceptable to the ACEH for AnteaGroup to begin the permitting for the well destruction? Please get back to me at your earliest convenience so that together we can move this site to closure.

Regards,
