Oliver,
Thanks. I changed the radius to ¼ mile, no sense in doing more work than needed. If Chevron has a policy for ½ mile, then you have my OK to change it back.
Best,

Hi Oliver,
Could you also forward the ACPWA well survey form? Both agencies have well data and both should be reviewed; there's a 5% difference, but many times that difference can be interesting. Just search online for the public works one; it'll pop-up. I'll sign both then. (Or has one been done recently?)
Thanks,
