Catalina,

Please use this email to document ACEH agreement with the request for an extension to the Long Term Site Management Plan due date to September 6, 2013. The existing SMP is a short term plan to manage the potential for contamination during site redevelopment.

If you have questions, please let me know.

Hi Mark,

Chevron Environmental Management Company (EMC) would like to request an extension for the Long Term Site Management Plan that Alameda County Environmental Health (ACEH) requested in your letter dated July 24 and due on August 26, 2013. Due to the email that ACEH sent on August 22, 2013 requesting an additional Work Plan, we would like to determine if the Work Plan Request affects the response to the Long Term Site Management Plan, therefore an extension of **Sept. 6th, 2013** is requested.

Regards,

Catalina Espino Devine
