**UNDERGROUND STORAGE TANK CLEANUP FUND (FUND), FINAL REQUEST FOR FURTHER DOCUMENTATION DURING INITIAL REVIEW: CLAIM NUMBER 017198; FOR SITE ADDRESS: 1395 MIDDLE HARBOR RD, OAKLAND**

Thank you for your recent documentation regarding the eligibility for placement on the Priority List.

Fund's letter dated September 8, 2008, requested the Port to provide their compliance with the permit requirement for EF10 (4,000-gallon diesel UST). The Port provided the removal permit dated July 14, 1995; however, did not provide an owner/operator permit dated between 1990 thru 1995. Please provide a copy of the UST owner/operator permit dated after 1990, up until its removal in 1995.

In addition, the Board of Equalization Fees (BOE) that were provided, are not acceptable. The subject UST was not removed until July 14, 1995; therefore, BOE fees should have been paid for the UST up until its removal. Please provide a copy of the UST Fee Return dated prior to the UST being removed in 1995.

**NOTE:** Failure to respond to this request within thirty (30) calendar days from the date of this letter may result in an ineligibility determination of your claim.

If you have any questions, please contact me at (916) 341-5714.

Sincerely,

Shari Knieriem
