**Re: Fuel Leak Case No. RO0000478;  
Anthony's Auto Service  
19592 Center Street, Castro Valley, CA 94546**

Dear Mr. Khatri:

I am the attorney for Anthony Pettiti, the former owner of the property at 19592 Center Street, in Castro Valley.

Bank in October, I called and spoke with you. I advised you that Mr. Pettiti no longer has any file with regard to this matter and I asked if you would be so kind as to check your files and let me know what company it was that installed the monitoring wells you now wish be decommissioned.

Please advise.

Very truly yours,

  
Stephen J. Kennedy
