Subject: Compliance Issues with Lim Property, RO #0479

Mr. Wickham,

The latest Reimbursement Request (RR) for the Lim Property was denied due to the site being out of compliance. The case worker that reviewed the RR is Janice Nishita, her info is listed below. When you have completed your review of the recent Aqua Science Engineers report, dated July 9, 2012 (with a July 23, 2012 cover letter), and find that the information is acceptable, please inform Janice that the site is back in compliance. Thank you in advance for your consideration on this matter. Regards.
