**MAPS FOR BORING LOCATIONS FOR THE SITE:**

**ALAMEDA GATEWAY 2900 MAIN ST. , ALAMEDA, CA**

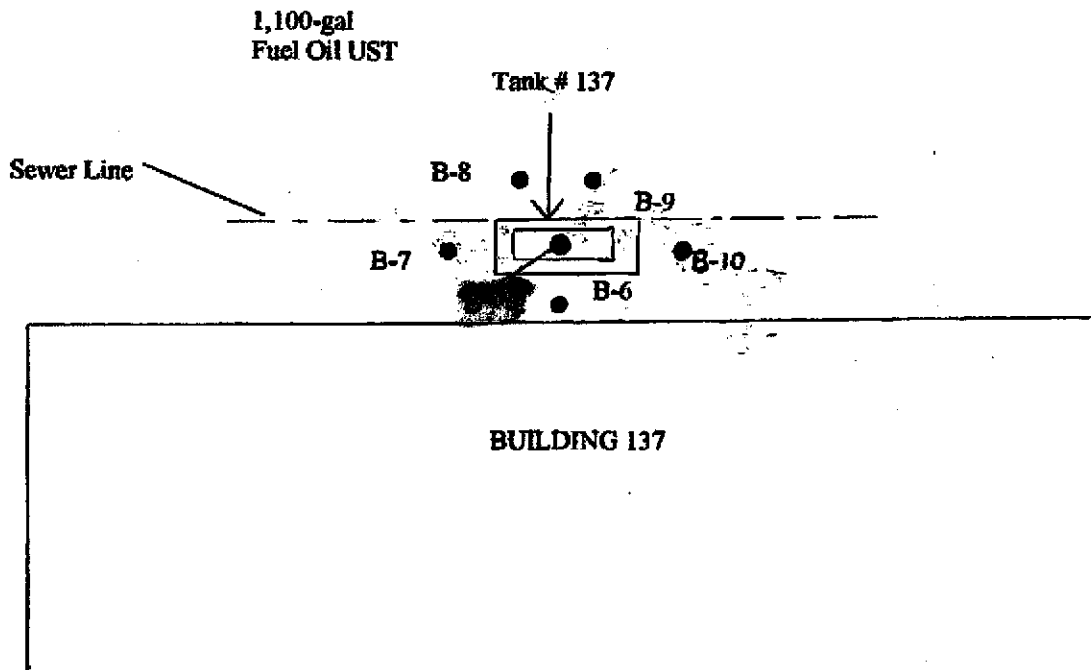

Larry,

Here are the figures for the drilling event that is scheduled for Tuesday, May 9. There has been one boring added to each figure. Otherwise, they have remained the same as the previous figures submitted to you.

I will give you a call later this afternoon to answer any questions you may have.

Thank you for your patience!

Robin Bezanson
