Hi Kristine:

I have been reviewing the case files and recently submitted work plans prepared by Broadbent & Associates on behalf of Atlantic Richfield Company for the above referenced sites including:

“Revised Soil & Groundwater Investigation Work Plan” dated November 6, 2012

“Work Plan for Groundwater Investigation”, dated November 6, 2012

I would like to schedule a time to talk to you about my comments prior to finalizing my comments in a directive letter. I have meetings scheduled for the next two days but am hoping we could have a teleconference call on Thursday Jan 10 or Friday January 11 to discuss the sites. If either of these days work for you please let me know – my schedule is flexible on both days. Otherwise please propose a time the following week.

Regards,

Dilan Roe, P.E.
