Hi Dilan-

I have been working on the report for the CPTs we just performed at RO 494 on Davis in San Leandro and I realized I still need a well search for that area. Please sign the attached form and email it back to me so I can get that going. Also, I wanted to let you know of our schedule for RO 2526 and RO 190:

RO 2526 - 3310 Park Street, Oakland.

Scheduled for 12/26, 12/27, 12/30, 1/2, 1/3, and 1/6

RO 190 – 15135 Hesperian, San Leandro

Scheduled for 12/20 (borehole clearance) and 12/23 (Borings)

If you have transferred these sites to anyone, please let me know and I will include them on future correspondence. As always, please feel free to let me know if you have any questions!
